

Municipal Credit Analyst

Samson Capital Advisors is a fixed income asset management firm with a focus on separately managed accounts for wealthy families. We are looking to hire a junior municipal credit analyst to work with our credit team, portfolio managers, traders and marketing group. The job entails the following:

- Credit analysis of primary and secondary market purchases in all investment grade municipal sectors
- Analyses of prospective and existing client portfolios
- Review and surveillance of holdings
- Updates of market statistics
- Maintenance of credit and security databases
- Investment recommendations for purchase and sale of bonds
- Ad hoc research projects on topical issues

The successful candidate will have the following skills and experience:

- 2-5 years experience in municipal credit
- Financial statement analysis
- Demonstrated interest and experience in public finance, public policy, government or municipal credit
- Understanding of municipal securities documents
- Excellent written and oral communication skills
- Excel, Power Point, Perform, Bloomberg skills
- Attention to detail
- Must be a team player and able to work under pressure
- Basic understanding of and interest in the bond markets
- Bachelor's degree in related field required, master's preferred

Please send resume and letter of interest to careers@samsonca.com
