

Goldman Sachs, Investment Management Division, Private Wealth Management, FICC Solutions Group - Municipal Fixed Income Portfolio Manager/ Trader, Associate/ Vice President

Private Wealth Management (PWM) secures, develops and manages relationships with high net worth individuals, their families, family offices and foundations. PWM assists clients with building and preserving their financial wealth by creating and implementing long-term asset allocation within the context of each client's particular risk tolerance, and by providing access to innovative investment ideas and opportunities. PWM professionals develop customized investment strategies and offer a full array of wealth management products and services, including private banking and trust company services. The PWM Municipal Fixed Income Team provides market coverage, investment ideas, and trade execution for municipal securities.

Job Summary and Responsibilities:

The team is looking to hire a portfolio manager/ trader. The ideal candidate is one who can work well in a fast paced, execution oriented atmosphere while maintaining composure and the ability to be analytical and articulate. This role involves interaction with credit research analysts, traders and sales-people, as well as PWM professionals and their clients. The candidate should be a self-starter who will seek ways to add value to the broader business.

- Dedicated investing responsibilities based upon sector and/ or maturity
- Portfolio construction based upon relative value analysis and dialogue with the credit research team
- Managing liquidity requests, portfolio restructuring and other account maintenance
- Providing portfolio analysis, performance and market color to PWM professionals
- Assisting with team marketing materials and other business projects and initiatives
- Thinking strategically about portfolio management process, technology and ways to scale the business
- Managing counter-party relationships

Qualifications:

- Keen attention to detail, organizational skills and ability to multi-task
- Strong fixed income knowledge and analytical skills
- Team player with excellent communication skills
- Proficient with Microsoft Excel, Bloomberg
- Series 7, 52 and 63 preferred
- 3-5+ years municipal experience (ideally execution or portfolio management related)
