

# High Yield Municipal Bond Credit Analyst

**Locations: New York, NY**

**Job Opening ID # 5492122**

**Expiration Date: 07/19/2019**

At Wells Fargo, we want to satisfy our customers' financial needs and help them succeed financially. We're looking for talented people who will put our customers at the center of everything we do. Join our diverse and inclusive team where you'll feel valued and inspired to contribute your unique skills and experience.

Help us build a better Wells Fargo. It all begins with outstanding talent. It all begins with you.

Wholesale Banking provides financial solutions to businesses across the United States and globally. Our four major business lines include Corporate & Investment Banking, Commercial Banking, Commercial Real Estate, and Wells Fargo Commercial Capital. We also have groups in credit risk, group risk, finance, marketing, human relations, and the Wholesale Chief Operating Office that support our businesses.

Corporate & Investment Banking (CIB) delivers a comprehensive suite of banking, capital markets and advisory solutions, including a full complement of sales, trading and research capabilities, to corporate, government and institutional clients. We focus on our clients' overall financial needs, with consideration and respect for their total relationship with Wells Fargo.

The Municipal Products Group (MPG) provides investment banking, municipal derivatives, investor solutions, institutional sales, secondary trading and underwriting services to issuer and investor clients. MPG is comprised of the following businesses: Public Finance Investment Banking, Municipal Sales, Trading, and Underwriting and Capital Strategies.

*Municipal Products Group has an opportunity on its New York City trading desk for a senior credit analyst focusing on high yield municipal bonds.* The position requires analytical/surveillance skills as well as the ability to work in a trading environment. The analyst will report to the head of high yield municipal credit strategy.

This position is subject to FINRA Background Screening Requirements, including successful completion and clearing of a background check. Internal transfers are subject to comply with 17 CRF 240.17f-2 of the Securities Exchange Act of 1934 and FINRA Bylaws, Article III, Section 3, which states that Associated Persons should not be subject to statutory disqualification. Successful candidates must also meet ongoing regulatory requirements including additional screening and are required to report certain incidents.

Team members support our focus on building strong customer relationships balanced with a strong risk mitigating and compliance-driven culture which firmly establishes those disciplines as critical to the success of our customers and company. They are accountable for execution of all applicable risk programs (Credit, Market, Financial Crimes, Operational, Regulatory Compliance), which includes effectively following and adhering to applicable Wells Fargo policies and procedures, appropriately fulfilling risk and compliance obligations, timely and effective escalation and remediation of issues, and making sound risk decisions.

Relevant military experience is considered for veterans and transitioning service men and women.
